

DuBois Nursing Home Emergency Fact Sheet

It is the mission of the DuBois Nursing Home, to address to the best of its ability, potential emergency scenarios in a manner that continues to support and sustain both a healthy and safe internal facility environment and to provide appropriate services to those in need.

Employees are trained and/or re-educated on appropriate safety and emergency protocols either during initial orientation and/or during annual in-service training programs.

The DuBois Nursing Home is a 140 bed skilled facility located in DuBois, Pennsylvania.

The facility is a fully sprinklered four story structure equipped with an emergency generator backup system.

Local servicing hospitals include; DuBois, Clearfield, Altoona, Pittsburgh

Emergency Services such as fire, police and ambulance can be accessed through the 911 Clearfield County Emergency Management services number.

Police Department – PA State Police – Sandy Township Police Department

Fire Department – Oklahoma Fire Department, Sandy Township Fire Department

Ambulance Services – DuSan Ambulance Service, DuBois EMS

Facility maintains on site storage for both additional food and water in the case of emergency.

Facility maintains transportation and temporary shelter agreements with other facilities and/or locations in case of need for resident evacuation.

Identified safety and/or emergency issues needing to be either assessed, addressed and/or updated are reviewed either on an as needed basis and/or during the monthly facility QAPI meeting (Quality Assurance Performance Improvement).

A full Emergency Preparedness Plan is located at all Nurses' Stations.

In the event of an emergency, two offsite locations will be used for family updates. Unless notified otherwise those locations will be the DuBois Village or the Oklahoma Elementary School.

The facility will use an emergency alert system (One Call) to notify families via a recorded phone message of situation.

If the Facility's main phone line is not functioning properly, additional numbers and or information will be posted on the facilities Facebook page, Twitter Account, and or the webpage at www.duboisccci.com.
